#### TOO DIFFICULT

In a Pennsylvania town where the friends of a young man who had been in the service of his country for many years, and who had been killed in action, were gathered to attend his funeral, a young woman who had been in the service of his country for many years, and who had been killed in action, was the only one who did not weep.

The old lady was at her best on this festive occasion, and as a piece in the wedding breakfast for young people looked over at her with a smiling face.

"And is why they never married, Aunt Patience?" he said, teasingly.

"That is soon told, 'Grannie,'" said the old Quaker, calmly. "It was because I was not as easy pleased as thy wife was."

## FAMOUS ECONOMY FRUIT JARS

One of which, together with a Booklet of Recipes, will be given with each 25-cent or higher want ad. inserted in either The Daily or The Sunday Astorian.

What Mr. Fred Dresser has to say about the ECONOMY JAR: Kerr Glass Manufacturing Company, Portland, Oregon. Gentlemen: Referring to the ECONOMY FRUIT JAR, we are pleased to say that we have been selling them for three years. The first year we ordered three gross, the second year ten gross, and this year our order calls for twenty-five gross. We believe that within a few years they will be the only jar in use; first, because the quality of the jar far exceeds all others; second, the jar is sanitary, having a wide mouth, therefore easily cleaned. The cover is as sanitary as the glass itself, while the cover on many other jars are made of zinc, which produces poison when in contact with fruit and vegetables. The absolute certainty of every ECONOMY JAR sealing makes it the ideal jar for canning purposes. We bespeak a great future for the ECONOMY JAR. We are very truly yours, F. DRESSER & CO. By F. Dresser, Pres.
